### Media Statement

**12 March 2018**

Matatiele LM mayor to pave a way forward on service delivery challenges

In the past few weeks, the municipality has noted with concern the high level of disheartenment amongst our communities. This, as a result of what many view as service delivery related challenges, currently experienced by the municipality.

The Mayor therefore saw the need to update the Matatiele community on these and other matters, through the local media.

It is against this background that the Mayor will host a media briefing on how the municipality plans to fast-track basic service delivery and the municipal audit outcome for 2016/17 FY (focusing on the turn-around strategy).

All media houses are encouraged to attend the session which will take place as follows:

Date : 20 March 2018

Time : 09h00

Venue : Municipal Council Chambers
