PUBLIC NOTICE

Every year around this time, Matatiele local municipality brings together the elderly for pampering whilst encouraging active aging. The same is done for Orphans and Vulnerable Children (OVC) from all wards in Matatiele. However, in an unprecedented but necessary undertaking, the municipality has officially suspended the Elderly and OVC events scheduled for the 4th and 8th December 2020 (respectively).

This, in an effort to minimize exposure of the elderly and children to the deadly COVID-19. In recent weeks, we have seen spikes of infections in numerous areas across our province, signalling the dreaded possibility of resurgence. It is against these new developments that the municipality has taken these precautionary measures, for the benefit of our vulnerable groups.

As people of Matatiele, we are urged to be vigilant and do our best to contribute to the fight against COVID-19. Wash/sanitise hands regularly, practice social distance and always wear a mask in public spaces.
