GLOSSARY

Annual Budget – Prescribed in section 16 of the MFMA - the formal means by which a

Municipality approve official budget for the next three years.

Adjustment Budget – Prescribed in section 28 of the MFMA – the formal means by which a Municipality may revise its annual budget during the year.

Capital Expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as an asset on the Municipality's balance sheet and must be included in the asset register.

Cash Flow Statement – A statement showing when actual cash will be received and spent by the Municipality. Payments do not always coincide with budgeted expenditure timings – for example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period.

DORA – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government (see Allocations / Transfers).

Equitable Share – A general grant paid to municipalities. It is predominantly targeted to help with free basic services.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal Budget and Reporting Regulations dated April 2009.

MFMA – The Municipal Finance Management Act – Act No. 56 of 2003. The principle piece of legislation relating to municipal financial management.

mSCOA – Municipal Standard Chart of Accounts.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years' budget allocations. Also includes details of the previous and current years' financial position.

Vote – One of the main segments into which a budget is divided.

LEGISLATIVE FRAMEWORK

This report has been prepared in terms of the following enabling legislation:

The municipal Finance Management Act No. 56 of 2003
Section 52(d): Quarterly budget Statements

**Local Government: Municipal Finance Management Act (56/2003):
Municipal budget and reporting regulations**

1.1 RESOLUTIONS

This is the resolution being presented to Council in the quarterly report on the implementation of budget and financial state of affairs of the municipality as required in terms of section 52 of the Municipal Finance Management Act 56 of 2003.

Recommendations:

- That, the report on the implementation of the budget and the financial state of affairs of the municipality for the quarter ended 31 December 2022 be noted by council.
- That, the submission of section 52(d) reports and to Provincial and National Treasuries 30 days after the end of each quarter be noted by Council.
- That, the council note the withdrawal from the bank account, attached under 'Supporting Documents' in the report, in terms of Municipal Management Act, Sec11 (4)

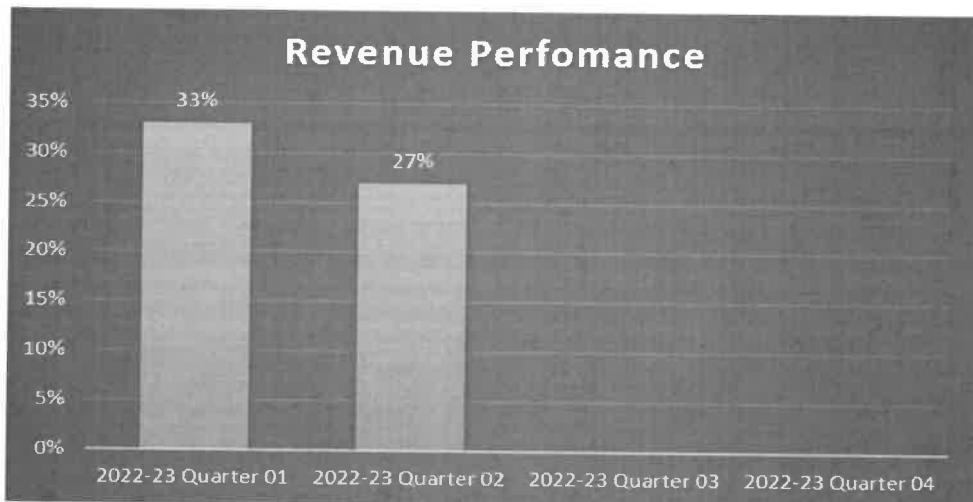

1.2 EXECUTIVE SUMMARY

The below analysis is a high-level assessment based on revenue and expenditure recognised on the Municipal Financial System. It is incumbent on the necessary user business units and user departments to ensure the completeness, validity and accuracy of the information provided for the purposes of the assessment.

Consolidated Performance (Revenue & Expenditure) Operating Budget

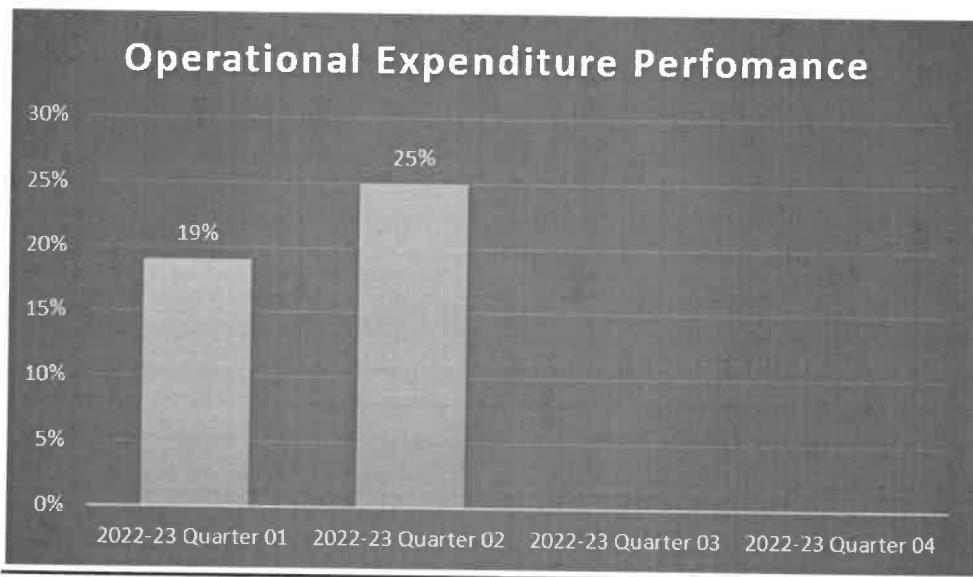

Revenue by source

The approved revenue budget for the municipality amounts to R 579,582,986 million and the revenue for the quarter ended 31 December 2022 amounted to R 155,801,990 million and 27% relates to revenue performance for the 2nd quarter, this is within the expected performance of 25% for the quarter ended 31 December 2022, the revenue recognised to date is 60% of the total approved revenue budget. This is due conditional & unconditional grants trenches recognised as per Dora allocation and not as per quarterly anticipation.

Operating Expenditure by type

The municipality's approved expenditure budget of **R 480,023,232** million. Expenditure incurred for the quarter ended 31 December 2022 amounted to **R 121,222,119** million, when measured against the annual budget reflect a spending of **25%** of the total operating budget. This is within the expected **25%** performance for the quarter. Operating expenditure to date is **44%** of the approved operating budget.

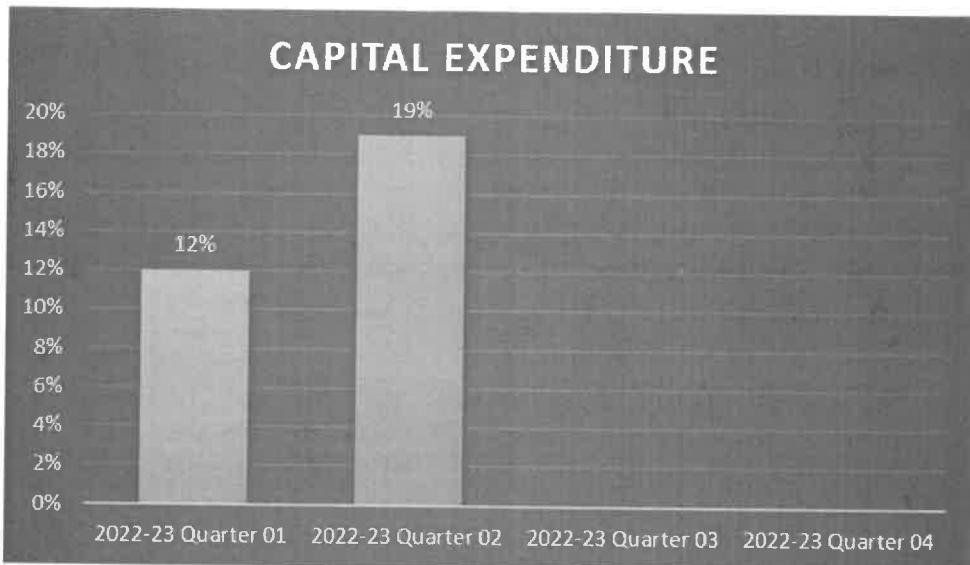

Capital Expenditure

The municipality's approved capital budget amounts **R 171,309,312** million. Capital Expenditure incurred for the quarter ended 31 December 2022 amounted to **R 31,757,298** million and **19%** relates to the expenditure incurred for the **2nd** quarter, which is below the expected performance for the quarter. YTD performance is **30%** and variance is due to projects that are still undergoing supply chain processes and not yet awarded.

Capital Expenditure material variances

The Capital Expenditure for the 2022/23 financial year to date is low which implies that the capital expenditure incurred is significantly below the projection, variance is due to delays in implementing projects and the spending will improve in the third quarter under review.

Grants Funded Capital

- The MIG capital grant allocation for the financial year is **R 53,264,604** million as per Dora Allocation, the spending for the quarter ending 31 December 2022 is **R 11,042,370** which represent **21%** of expenditure for the Quarter. MIG expenditure to date is **34%** of the total allocation to date.
- Integrated National Electrification Programme (INEP) of **R 46,287,972** million was allocated. The grant reflects **R 17,518,660** spending for the quarter ending of 31 December 2022 which represent **38%**. INEP expenditure to date is **48%** of the total allocation to date.
- Capital Replacement Reserves (CRR) for the financial year of **R 71,756,736** million is allocated. The spending for the quarter is **R 3,196,268** which represent **4%**. CRR expenditure to date is **16%** of the total allocation
- The municipality anticipates to spend **100%** of the total capital budget as at the end of the financial year,
- The Municipality has made the rollover application that have been submitted on the 31 August 2022 as per Section 22 of DoRA 2021 and were submitted together with the annual financial statement, the rollover approval was published at the end of 31 October 2022 and final unspent conditional grant amount was communicated by National Treasury on 8 November 2022,

therefore approved rollover will be included in the adjustment budget of the Municipality and may proceed to spend such funds after the approval of Adjustment Budget.

It must be noted that the municipality does not have entities hence no investment that must be recognised on their behalf.

The municipality invests surplus funds in order to maximise the interest and to have cash readily available when needed and is done in line with the Cash Management and Investments policy. This indicates that the municipality as at 31 December 2022 had sufficient cash to operate for a period more than 3 months without receiving grants to cover operating costs.

The table above reflects investments as at the 31 December 2022 at the various institutions at which the funds are invested, the total investments amounted to R 335,249,007 this includes both conditional and unconditional grants and municipal reserves.

A significant portion of this is being ring fenced for various statutory and constructive obligations and may therefore not be considered as unencumbered cash.
